As India and the United Kingdom advance their economic partnership through the recently concluded Free Trade Agreement (FTA), the importance of a robust, mutually aligned arbitration framework becomes even more pronounced. Effective dispute resolution will play a key role in supporting the enhanced commercial ties and legal cooperation envisioned under the FTA.

This year's Conference is especially significant, featuring the participation of the Hon'ble Mr. Justice B.R. Gavai, Chief Justice of India , The Rt. Hon. Lord Briggs of the UK Supreme Court, and Mr. Arjun Ram Meghwal, Hon'ble Minister of Law & Justice, Government of India. The event will convene leading legal minds from India and the UK to explore cross-border dispute resolution and strengthen legal and institutional cooperation. Thought-provoking sessions will follow the inauguration, addressing hybrid mechanisms, investor confidence, and bridging procedural and cultural differences in Indo-UK arbitration. It promises to be a vibrant platform for dialogue and collaboration.
